DESTINATION:
COEUR D’ALENE, IDAHO

In Coeur d’Alene, the air is fresh, the water is inviting and the quaint city offers an abundance of fun, unique family-friendly activities. Coeur d’Alene has all of the amenities of a larger city but retains the friendly charm of small-town America. The centerpiece is Lake Coeur d’Alene, 25 miles of pure, blue water lined with pine-studded hills, once named by National Geographic as one of the five prettiest lakes in the world. Just off the lake, enjoy the charming downtown district offering something for everyone. Friendly business owners welcome you to enjoy the more than 100 unique shops, restaurants, art galleries, and coffee houses scattered throughout downtown.

PARALLEL SESSION DESCRIPTIONS:

SO YOU WANT TO BE IN JOURNALS
Bernard Cohen, MD, John Hopkins University
Virginia Sybert, MD, University of Washington

Do you ever struggle putting together a manuscript for publication? Do you wonder how to write a helpful review of a submission? This will be an interactive session moderated by two experienced writers and editors. We will discuss how to craft a well-written manuscript and include high quality images. We will disclose the closely held secrets of the review process. Tips for helpful manuscript reviews will also be given. The first 25 to sign up will be invited (but not required) to submit a manuscript in preparation for comments from the session moderators.

INTEGRATIVE MEDICINE IN PEDIATRIC DERMATOLOGY
Cheryl Bieghle, MD, The Everett Clinic
Peter Lio, MD, Dermatology & Aesthetics of Wicker Park, Northwestern University

More and more patients are now seeking concurrent care with providers who specialize in naturopathic or complementary/integrative medicine to help manage their diseases. This interactive discussion session features two doctors (a pediatrician and a dermatologist) who have fellowship training in integrative medicine as well as training in acupuncture and Traditional Chinese Medicine. They will share ways in which to decrease inflammation through diet, supplements, and mind body work. This discussion will include the use of food elimination trials and how best to do them in the pediatric population.

RESEARCH FORUM
Megha Tollefson, MD, Mayo Clinic, Rochester

During this extended discussion session, hear presentations from eight members on current original basic science or clinical research projects. Participants will have the opportunity to ask questions and discuss each of the research projects presented during the session. Additionally, session participants will receive an update from past research grant award winners on the status and/or outcomes of their research projects.

MOC SELF-ASSESSMENT: PEDIATRIC DERMATOLOGY
Howard Pride, MD, Geisinger Medical Center
Andrea Zaenglein, MD, Penn State University

This session is geared specifically for those enrolled in MOC-D. It features short case studies that relate to the diagnosis, treatment and management of pediatric dermatology conditions. Participants will answer questions, see how their colleagues responded and then engage in a detailed review of all the responses. Upon completion, attendees will earn credit for 35 of the 100 self-assessment questions they much complete every three (3) years in MOC. Note that this is a different program than the one offered at each AAD Annual Meeting. A minimum of 25 people will be required to hold this session.
CALL FOR CASE, POSTER & FORUM PRESENTATIONS

Attendees are invited to submit case summaries and poster abstracts for review and selection to be presented during SPD’s 40th Annual Meeting. There are four (4) categories:

CASES OF THE YEAR
This category includes cases with a known diagnosis. It should have attendant teaching value. SPD encourages all those interested in submitting a case of the year to first review the examples posted online at http://www.pedsderm.net/sections/casepresentations.php. The “template” cases will help provide guidelines for preparing a submission.

Moderator: Aimee Smidt, MD, University of New Mexico

Please note that if a submitted case is chosen to be presented as one of SPD’s “Cases of the Year”, it will not be simultaneously assigned a poster space. Submitted cases not chosen for a “Cases of the Year” oral presentation may be presented as a poster; however, SPD will give preferred assignment of space to research-oriented work.

RESEARCH FORUM
The Research Forum will highlight outstanding research by members of our field. Eight (8) abstracts will be selected for oral presentation during this parallel session of the meeting. Original basic science or clinical research projects are eligible for consideration.

Moderator: Megha Tollefson, MD, Mayo Clinic, Rochester

JUNIOR FACULTY & FELLOWS FORUM
This category includes basic science or clinical research projects which may include case series of clinical interest with accompanying literature reviews, which may have been conceived and/or conducted by pediatric dermatology fellows and/or junior faculty who have been out of training for five (5) years or less.

Moderator: Claudia Posso De Los Rios, MD

POSTER PRESENTATIONS
Limited to 40 posters. Awards will be presented for the best posters. Dimensions of the poster are not to exceed 4’ x 8’.

Poster chair: Anna Bruckner, MD, Children’s Hospital Colorado

All case summaries or poster abstracts should be submitted online at www.pedsderm.net/sections/casepresentations.php. All case summaries and poster abstracts should be submitted by May 16, 2014.

Please remember that representative photos (jpeg files preferred) must be submitted at the time of application for cases of the year or the case will not be considered.

REGISTRATION INFORMATION

CANCELLATION/ REFUND POLICY
Registration fees, less a $100 administrative fee, will be refunded following the meeting. In order to qualify for a refund of fees, a cancellation notice must be received in writing no later than Friday, May 31, 2014. There will be no refund of fees for cancellations received after May 31, 2014.

SPOUSES, CHILDREN, & GUESTS
Please note that all spouses, children, and guests must be officially registered as an accompanying guest to attend the meeting, to participate in any of the meal functions (including breakfast), to attend the Kids Camp, or take part in social activities. Badges will be required to be worn during these activities to gain admittance.

CME CREDIT
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Blackwell Futura Media Services and The Society for Pediatric Dermatology. Blackwell Futura Media Services is accredited by the ACCME to provide continuing medical education for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity. SPD’s Annual Meeting is also recognized by the American Academy of Dermatology and may be used toward the American Academy of Dermatology’s Continuing Medical Education Award.

EVALUATION
Please be advised that all CME requests and seminar evaluations for SPD 2014 will be managed online to ensure that you receive a CME certificate in a timely manner. You will be given a small CME Booklet in your conference materials where you should evaluate the sessions you attend. On July 10, attendees who pre-registered for the meeting will be sent an email, to the email address provided on your registration, that provides login instructions to complete the online evaluation for sessions you attend. Make sure you still have your booklet so you can enter the appropriate information. Upon completion of the online evaluation, your CME certificate will be made available for immediate download or to have emailed. Attendees who register on-site will receive a similar email with instructions the week of July 14.

DISCLOSURE OF INTEREST
In keeping with the rules of the ACCME, conflict of interest disclosure is required of all faculty and other participants in the Annual Meeting. Speakers from the audience are also required to indicate any relevant conflict of interest during discussion of a given topic.

NEED A ROOMMATE?
Contact the SPD office at (317) 202-0224 or via email at info@pedsderm.net no later than May 30, 2014 if you would like the share a room with another attendee (and split the cost of the room). Please indicate whether you are male or female and your anticipated arrival and departure dates.

TRAVEL AWARDS
Travel awards are available on a competitive basis to fellows, residents, and medical students who present cases (Cases of the Year) or posters at the SPD Annual Meeting. This is an effort to encourage participation among trainees interested in pediatric dermatology and helps provide recognition for exceptional work as well as financial assistance to attend the meeting. There will be two $1,000 awards available for the SPD 2014 Annual Meeting. Members who qualify will apply through the SPD website at the time of submission of cases and posters. The SPD Awards and Goals Committee will evaluate the quality of the case/poster, focusing on whether it presents “new” information, is relevant to care of children with skin diseases, quality of data, and approved consent process. The AAP Section on Dermatology will offer one $1,000 Travel Award, open to residents or fellows who present cases, posters or speak in the Research Forum at the Annual Meeting. Preference will be given to abstracts that focus on pediatric education, workforce, Medical Home and collaborating with pediatrician partners. Members can apply for this award through the SPD website at the time of case or abstract submission.

AIR TRAVEL INFORMATION & TRANSPORTATION
The Coeur d’Alene Resort is located about 40 minutes East of the Spokane International Airport (GEG). Spokane International Airport has nearly 125 flights per day and is served by the following carriers: Alaska, American West, Delta, Northwest, Southwest and United. Recommended transportation from the airport to the resort is via scheduled shuttle service with the Coeur d’Alene Resort. The cost is $69 round trip (adult) and $10 per child (ages 10 and under) round trip. Attendees can schedule their shuttle pickup when making their hotel reservations or by calling the Resort’s transportation department directly (800) 688-5253, ext. 7133. It is recommended that attendees re-confirm their flight arrival and pickup time with the transportation department no later than 7-10 days prior to the meeting and also contact them if any of your flight details change. Car rental is also available at the Spokane International Airport. Please note that taxi service is available from the airport but is approximately $100 each way.

HOTEL ACCOMMODATIONS
A special room rate of $225 per night single/double is available at The Coeur d’Alene Resort. The rate is offered on a space-available basis only through June 7, 2014. Reservation requests made after June 7 will be confirmed on a space available basis at the prevailing hotel rates. Reservations can be made online at www.pedsderm.net or by calling (800) 688-5253. Please indicate you are with the Society for Pediatric Dermatology Annual Meeting to receive the special room rate. Please note there are a limited number of rooms available, so make your reservation early.
